

Terms and Conditions

Welcome to Synergy's Blockchain-Powered E-Vault System!

These terms and conditions outline the rules and regulations for the use of Synergy's Decentralized Application (DApp) for storing and managing certificates. By accessing this DApp, we assume you accept these terms and conditions in full. Do not continue to use Synergy's DApp if you do not accept all the terms and conditions stated on this page.

Definitions

Synergy: The team responsible for developing and maintaining the DApp.

User: Any individual or entity that accesses or uses the DApp.

Authorized User: An individual or entity verified by Synergy to upload certificates.

DApp: The blockchain-powered decentralized application developed by Synergy.

Content: Any data, information, text, graphics, or other materials uploaded to the DApp.

User Accounts

Registration: Users must register and create an account to use the DApp. During registration, Users must provide accurate and complete information. It is the User's responsibility to keep their account information up to date and secure.

Account Security: Users are responsible for maintaining the confidentiality of their account credentials and are fully responsible for all activities that occur under their account. Synergy will not be liable for any loss or damage arising from the User's failure to comply with this security obligation.

Account Termination: Synergy reserves the right to suspend or terminate User accounts at its discretion, including but not limited to violations of these terms. In such cases, Users will be notified via the email address associated with their account.

Use of the DApp

Acceptable Use: Users agree to use the DApp only for lawful purposes and in a way that does not infringe the rights of, restrict, or inhibit anyone else's use and enjoyment of the DApp. This includes but is not limited to conduct which is unlawful, or which may harass or cause distress or inconvenience to any person.

Prohibited Activities: Users may not use the DApp to upload any Content that is illegal, offensive, or violates the rights of third parties. Users may not interfere with the operation of the DApp or its related systems. Prohibited activities include but are not limited to unauthorized access, hacking, data mining, or similar activities.

Certificate Management: Only Authorized Users can upload certificates. All certificates uploaded to the DApp must be legitimate and verifiable. Synergy reserves the right to remove any Content that it deems inappropriate or non-compliant with these terms.
Intellectual Property

Ownership: Synergy owns all intellectual property rights in and to the DApp, including all software, code, and associated materials. Users are granted a limited, non-exclusive, non-transferable license to access and use the DApp for their personal, non-commercial use.

User Content: Users retain ownership of any Content they upload to the DApp. By uploading Content, Users grant Synergy a worldwide, non-exclusive, royalty-free license to use, reproduce, modify, and distribute the Content for the purposes of operating and improving the DApp.

Limitation of Liability

No Warranty: The DApp is provided "as is" and "as available." Synergy makes no representations or warranties of any kind, express or implied, as to the operation of the DApp or the information, content, materials, or products included.

Limitation: Synergy will not be liable for any damages of any kind arising from the use of the DApp, including but not limited to direct, indirect, incidental, punitive, and consequential damages. This limitation of liability applies to the fullest extent permitted by law.
